Parking Procedures for the Norfolk Waterside Marriott:

Main Street Parking Garage for the Marriott

The parking garage for the Marriott is located on the corner of **Atlantic and Main Street** across from the Norfolk Waterside Marriott. You will receive a parking ticket upon entry. This ticket must be taken to the front desk of the Marriott to be stamped for you to charge to your Guest room. When you exit the garage, you will put this ticket into the parking meter. If you plan on exiting multiple times out of the garage during your stay, insert the stamped ticket in the machine, and take it back. The garage will give you a new ticket upon your return; however still use the stamped ticket during your stay. Your charge for parking will be automatically billed to your Guest room at a parking rate of $15.00 per car/per night. The discounted parking is offered ONLY in **Main Street** garage.

Valet Parking thru the Hotel is $26.00 per day.
