Abstract

This Special Session will discuss various aspects regarding opportunities for submitting and possibly getting papers published in the Journal of Information Systems Education (JISE), the leading academic journal in IS education. In addition, other ways to assist JISE will be addressed and discussed.

Session Contents

In this session, several topics will be discussed, including (but not limited to):

- Submitting papers to JISE (procedure, style format, etc.)
- The review process
- Opportunities, responsibilities, and rewards for being a reviewer
- Opportunities, responsibilities, and rewards for being a Guest Editor for a Special Issue.

ISECON attendees are encouraged to ask questions and explore publishing opportunities with JISE. The Editor will answer questions and present helpful hints for potential authors. The journal is sponsored by EDSIG.
